

How do you want to live?

If you are interested in:

- **having a strong connection to your neighbours**
 - **living in your own home**
- **participating in the planning of your home and community**
 - **living sustainably**

Then perhaps cohousing is for you!

Want to learn more?

Wolf Willow Cohousing and Radiance Cohousing will be speaking about how their projects offer exciting alternatives to those living in Saskatoon.

Thursday, November 28, 2013
